Dark's
leader!!

It's the first
time a
concert left
me such a
bitter
aftertaste!

In
other
words
...

Our win
was not
thanks to
our talent

thanks to
the
reputation
we have

Without the
fans that
followed us
after our
debut in the
Kansai region,
we could never

you.

The

It's you,
Crash, who

winners of
this festival!

ation...

I wanted to
tell you
this,
otherwise it
would bug
me.

It
seems
simple...

But
in reality
it's
extremely
difficult

All we can
do with our
songs is bring
them out to
please the
public.

But
you
guys...

And it's
because of
that that we
wanted to
participate
in this
festival

Artists who
believe they're
stars only
because people
talk about them
need to be
reminded of
their place..

True stars
are those
who
manage to

Blabla #2

As days pass my pencil becomes more and more brittle

Until the day it breaks in two

I've already broken two like this. The one I'm using right now has also started to make cracking sounds and won't last much longer. It's really strange... Me, who normally doesn't have the strength to open a plastic bottle...

Ryota et Kenta Mitsui

This is the P-S.
They're twin brothers.
This is the first time their
full name is revealed.
Ryota is the older,
while Kenta is the younger

Except for the orientation
of their hair there's no
notable difference that would
allow anybody to distinguish
between them.

imagined Ryota being really
calm and Kenta really
energetic...

I need to loosen my muscles and relax...
My arms and hands are really tense...

OUTSIDE BATHS

We mostly speak of work but that's good...

We send each other emails, you know...

And also...
I haven't been able to see Junpei for a long time...

You were chosen for a drama again, Marika! Congratulations! And this time you're the main heroine!

I'm Yes! happy
I could come here with you before being overwhelmed

Recently, Marika is happier and happier.

SFX yaay! Yaay!

That's about it when it comes to character profiles!

It took longer than I expected.

A rest well deserved.

Since I've received questions concerning the profiles, I thought I'd answer them in one go.

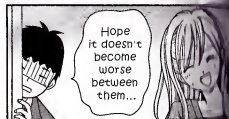

Q : What determines the date of birth of the characters?

R : I'd say that I base it on astrology. I think what could be the zodiac sign of each character based on their character and peculiarities. I imagine their affinities with planets, etc. It's a little vague, I know, but this is how I proceed.

I hope this answers your question.

Next day

It's
against
the
rules.

I
will do a

on my

I'll

every day to
the demands

After-

You're

recently?

Is
that
why...

Pressure...

To be
honest...

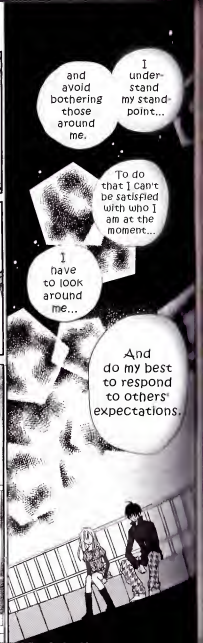

But...

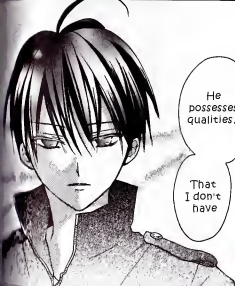

It put
me under
enormous
pressure.

I
have also
a lot of
reflection on
what happened
to Junpei

And
I receive
mountains

letters...

I have
more and
more
work...

He possesses qualities...

That I don't have

I envy him, you know...

Kiri is confident in himself, carefree and looks on the bright side of life.

But during all this time,

he thought about a lot of stuffs, he made a lot of efforts.

Rei never speaks too much

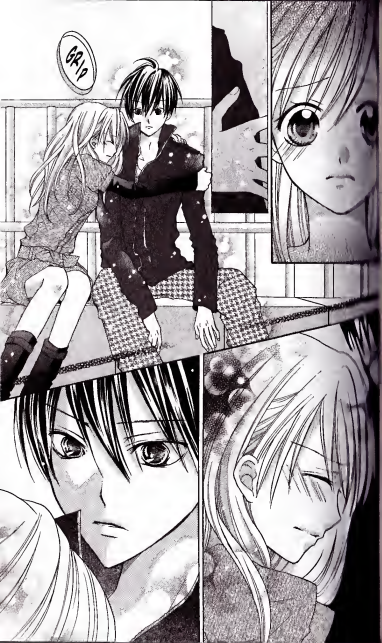

I acted like a child.

It's because of that that I got carried away.

I'm sorry for pushing this all on you and ruining the atmosphere. let's go back

And kept all those worries to himself.

I couldn't stand my lack of maturity.

Me too, when I was in school...

What are you doing? That's enough!
I really feel like a kid this way...

I had so many things to learn that I didn't know where to start.

In singing, dancing, ways of promoting artists and all the rest...

When I gave myself the objective of becoming a manager...

But you need to also from time to time think of congratulating yourself and looking at the journey you've accomplished."

"Hana, you don't stop putting a lot of effort..."

It was then that my mom said to me...

day!

That's
why...

Today
I give
you my
congratula-
tions,
Rei.

STAGE ★24

If you
want to...

We can
continue
our
conversation.

Huh?

No...

I prefer to
stay like this

Sorrys
I...

Oh! If
somebody
saw us, he'd
right
misun-
derstand

I no longer
want to
talk about
all of this

I am
ashamed
of myself

As you
wish

Hana...

to tell me
what
was on
his heart

Damn
it...
I shouldn't
have forced
him...

I feel better
now
after talking
to you

Thank
you....

for
listening...

to Kiri and
the other
members of
the group

I

...

Thank
to Rei

that everyone
of them
has their own
reasons

for
doing
this job...

That's
why

I want to
become
stronger...

who wants
to
change
and
grow up

Rei is
surely
the
first...

We'll win
without
a single
hitch!

Not
just
that!

Isn't it you
who said
you can win
without
any problems
at all?

And why
should I
accept
your
conditions?

We
won't
let them
win!

There
aren't

There
are
no
such
things

Kiri is
really
motivated

about

So...?

Is what
we
do best
right?

Arguing...

Let's
stop
fighting
unneces-
sarily!

And
hurry
and
make
a sketch

They're taking a bath

Hen
Where are the others?

I don't have any business to come around here

Oh, so you're staying here in a storage room

for tomorrow's sketch!

I'm in the middle of learning my line

And now, you've not going with there

To be honest...

For me, Hana isn't just a manager...

Hana doesn't even let us rest quietly!

She's not our manager for nothing!

To be honest, we're not

For me

She is
simply

a really
cute girl

o

Haha...

is not
our older
sister nor
our
homeroom
teacher

I shouldn't
have told
you
anything

I announce
the competition
to be officially
started!

It's the
last day
of our trip!

Haha, I
don't
want

Thank you
for joining
us!

This is no longer rehearsal!
The more energetic we are,
the better!

Stand up
and
cheer!

Hey!
You hit me
harder than
during the
rehearsal!
It hurts!

I
wouldn't
call that
body-
building!

Yes, for
example
I do the
beer
dance!

Now
sports in
the middle
of a
performance!

You're
doing
it on
purpose!

Go what?
That doesn't
mean I can't
complain!

Get!
You son
of
a--

Like I'd
believe
you!

Thanks to
beer dancing,
I now have
a six pack!

And now
here is
Team A!

Who did
not hit
me!

Fan

Hehe!
That was Team B!
Let's give them
a round
of applause!

Woah!

Gosh,
you'll
corner
me,
midwife!

Not bad
for a
kid

A ton!
You see
this?

I made
this
move!

This is
cardboard...

who will lift
a dumb bell of
one ton?

Without
any delays!
Here are
the results!

And the
winner
is...

You're so
hung
up about
this!

I hope
you didn't
forget
your
promise!

He!

He changed --

That's all

But
I wanted
to talk
and Hana
kinda listened
to me

I don't
know what
you were
thinking...

Ten...

That's
kinda nice!

I know
since I
love you!

Hana
hugged
you!

Umm

It's her
way of
doing it.
That's all

Right?

There's
a funny
side
to giving
someone
courage!

She did it to
directly give
me courage

Nothing
more

Hum

you talk on too much here!

I already told you.

Let it go will you

If I understand correctly

you didn't have the girls. Is that for

It's not as simple as having girls or not...

"In front of Kiri and the other members of the group?"

"You have to show your more innocent and sincere side..."

I wonder what are they talking about...

I have the
tendency of
thinking
too much

Hmm...
You're
right

There
was I lack
of spirit
sometimes

I came
to only
others
people...

Huh?

provides me
with the force to
want to do
my best
everyday

But
that's
exactly
what

And I
intend
to stay
like this...

I've
always
been like
that

He
never
been...

this sincere!

And
undertook
his
character

He ended
up
accepting
meas who
I am

This
is
all...

Hana!

Your side is
an old
flavor

The hot winds
and the
moorish air done
the good!

The hot
winds

"HANA..."

I
know
that
very
well

Yeah...

to guide
and
comfort
us...

Though...
I can't
deny

That we all
need her

we

got something
to tell you

PRICKO 24

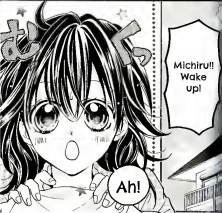

Here is a short story that I drew between chapters 20 and 22 of *Crash!* At first, I thought about using the extra pages to gag and comic situations, but thanks to my editorial manager's advice, it eventually became a nice romantic comedy that leads itself to daydreaming. I had a lot of fun drawing these pages.

In fact, this story was born for scribbles scribbled during a work meeting.

This story has a totally different style than *Crash!*, but I still hope that you will enjoy it anyway!
